

Alberta Health Guidelines

Below are Guidelines that specifically relate to our Annual General Meeting.
For full details visit: <https://www.alberta.ca/covid-19-public-health-actions.aspx>
Last updated February 9, 2022. Guidelines are subject to change.

Note: Municipalities may implement additional measures

Mandatory Mask Requirement:

- Masks must be worn in all general public spaces and within the meeting room when a 2m distance cannot be maintained; exceptions are when eating or drinking.
- Masking requirements will be removed for:
 - children 12 and under in all settings as of February 14
 - children and youth in schools for any age as of February 14
- For fully vaccinated people who have just completed the 5-day isolation and no longer have symptoms, masks must be worn at all times outside of home for an additional 5 days.

Business Restrictions:

- Limit of 10 people maximum per table. No mingling between tables.
- No interactive activities are permitted

Changes to Alberta Health Guidelines – February 9, 2022

Alberta Public health measures will be lifted in 3 stages as the Omicron wave subsides and pressure on the health-care system eases.

Alberta will enter Step 1 on February 9, and will progress to the next steps once conditions show our health system's capacity is recovering. The following changes will come into effect on February 9, 2022, unless otherwise stated:

- Restrictions Exemption Program removed, along with most associated restrictions.
- Capacity limits in large facilities and entertainment venues (500+) remain in place, but food and beverages now allowed in seats.
- Capacity limits for locations not covered under the REP program are removed.
